

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS** - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive 2016/97/EU, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended (the "**Prospectus Regulation**"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**MiFID II Product Governance / Professional investors and eligible counterparties only target market** – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

### 2. RATINGS

Ratings: The Notes to be issued have been rated:

S&P: BBB

Pursuant to S&P definitions, an obligation rated “BBB” exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor’s capacity to meet its financial commitments on the obligation.

Moody’s: Baa1

Pursuant to Moody’s definitions, obligations rated “Baa” are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The addition of the modifier “1” indicates that the obligation ranks in the higher end of its generic rating category.

Fitch: BBB+

Pursuant to Fitch’s definitions, BBB’ ratings indicate that expectations of default risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity. The addition of the modifiers “+” or “–” are intended to denote relative status within major rating categories.

Each of S&P, Moody’s and Fitch is established in the EEA and registered under Regulation (EU) No 1060/2009, as amended (the “**EU CRA Regulation**”). Each of S&P, Moody’s and Fitch appears on the latest update of the list of registered credit rating agencies on the ESMA website ([www.esma.europa.eu/supervision/credit-rating-agencies/risk](http://www.esma.europa.eu/supervision/credit-rating-agencies/risk)).

S&P, Moody’s and Fitch are not established in the United Kingdom and have each not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “UK CRA Regulation”), but are endorsed
