### 2. RATINGS

Ratings: The Notes to be issued have been rated:

S&P: BBB

Pursuant to S&P definitions, an obligation rated “BBB” exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation.

Moody's: Baa1

Pursuant to Moody's definitions, obligations rated “Baa” are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The addition of the modifier “1” indicates that the obligation ranks in the higher end of its generic rating category.

Fitch: BBB+

Pursuant to Fitch's definitions, BBB' ratings indicate that expectations of default risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity. The addition of the modifiers “+” or “-” are intended to denote relative status within major rating categories.

Each of S&P, Moody's and Fitch is established in the EEA and registered under Regulation (EU) No 1060/2009, as amended (the "**EU CRA Regulation**"). Each of S&P, Moody's and Fitch appears on the latest update of the list of registered credit rating agencies on the ESMA website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>).

S&P, Moody's and Fitch are not established in the United Kingdom and have each not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "**UK CRA Regulation**"), but are

endorsed by S&P Global Ratings UK Limited, Moody's Investors Service Limited and Fitch Ratings Limited, respectively, which are established in the UK and registered under the UK CRA Regulation and included in the list of credit rating agencies registered in accordance with the list of registered and certified credit ratings agencies published on the website of the UK Financial Conduct Authority (<https://www.fca.org.uk/firms/credit-rating-agencies>).
