| (i) | Listing: | Euronext Paris |
| (ii) | Admission to trading: | Application has been made for the Notes to be admitted to trading on Euronext Paris with effect from the Issue Date. |

2. RATINGS

- Ratings: The Notes to be issued are expected to be rated:
- Moody's: Ba2
Pursuant to Moody's definitions, obligations rated "Ba" are judged to have speculative elements and are subject to substantial credit risk. The addition of the modifier "2" indicates a mid-range ranking.
- S&P: B+
Pursuant to S&P definitions, an obligation rated 'B' is more vulnerable to non payment than obligations rated "BB", but the obligor currently has the capacity to meet its financial commitments on the obligation. Adverse business, financial, or economic conditions will likely impair the obligor's capacity or willingness to meet its financial commitments on the obligation. The addition of a plus (+) or minus (-) sign shows relative standing within the rating categories.
- Fitch: BBB-
Pursuant to Fitch's definitions, "BBB" ratings indicate that expectations of default risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity. The addition of the modifiers "+" or "-" are intended to denote relative status within major rating categories.
- Each of Moody's, S&P and Fitch is established in the EEA and registered under Regulation (EC) No 1060/2009, as amended (the "**EU CRA Regulation**"). Each of Moody's, S&P and Fitch appears on the latest update of the list of registered credit rating agencies on the ESMA website <https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>.
- Moody's, S&P and Fitch are not established in the United Kingdom and have each not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "**UK CRA Regulation**"), but are

endorsed by Moody's Investors Service Limited, S&P Global Ratings UK Limited and Fitch Ratings Limited, which are established in the UK and registered under the UK CRA Regulation and included in the list of credit rating agencies registered in accordance with the list of registered and certified credit ratings agencies published on the website of the UK Financial Conduct Authority (<https://www.fca.org.uk/markets/credit-rating-agencies/registered-certified-cras>).

The following paragraphs in italics do not form part of the Terms and Conditions of the Subordinated Notes.

Considerations regarding redemption and repurchase of the Notes:

The Issuer intends (without thereby assuming a legal obligation) that it will (but is not obliged to) redeem or repurchase the Notes only to the extent that the Notes are replaced with instrument(s) which provide at least an equivalent quantum of "equity credit" (or such other nomenclature), unless:

(i) the Notes are redeemed pursuant to a Rating Methodology Event, Accounting Event, Withholding Tax Event, Tax Gross-Up Event or a Tax Deductibility Event having occurred; or

(ii) such redemption or repurchase is made in any other circumstance where redemption or repurchase without replacement is consistent with rating agencies' assessment criteria.

3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save as disclosed in the section "General Information" of the Base Prospectus and for any fees payable to the Managers, so far as the Issuer is aware, no other person involved in the issue of the Notes has an interest material to the issue. The Managers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business.

4. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

(i) Reasons for the offer: The Notes constitute Green Bonds.

In compliance with its green financing framework (the "**Green Financing Framework**"), the Issuer intends to allocate an amount equal to the net proceeds of the Notes to capital expenditures in nuclear power generation within the EU and aligned to the EU Taxonomy, specifically to existing French nuclear reactors in relation to their lifetime extension ([EU Taxonomy activity 4.28](#)).

A Second Party Opinion dated 28 April 2025 ("**SPO**") on the Green Financing Framework was provided by S&P Global Ratings ("**S&P Global**"). It confirms the alignment with the ICMA Green Bond Principles and rates the Green Financing Framework as "CICERO Medium Green" and gives it a governance score of "Excellent". The SPO is also available on the website of the Issuer (<https://www.edf.fr/en/the-edf-group/dedicated-sections/investors/debt/sustainable-finance>).

External verification highlights: The alignment to the EU Taxonomy of Nuclear energy capital expenditures has been externally verified by S&P Global in their SPO. Further details are available on the Issuer's website

(<https://www.edf.fr/sites/groupe/files/2025-04/2025-04-24-edf-urd-2024-en.pdf>).

Impact highlights: the nuclear energy capital expenditures are further described in the Issuer's Universal Registration Document. More details on the lifecycle GHG emissions of existing installations are available on the Issuer's website

(https://www.edf.fr/sites/groupe/files/2022-11/edfgroup_acv-4_plaquette_2022111_en.pdf)

As far as the Issuer is aware, the transitional provisions in Article 51 of the Benchmarks Regulation apply, such that ICE Benchmark Administration Limited is not currently required to obtain authorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence). As at the date of these Final Terms, ICE Benchmark Administration Limited appears on the register of administrators and benchmarks established and maintained by the Financial Conduct Authority in the United Kingdom.
