## Flamanville EPR: EDF is reviewing decision from French Nuclear Safety Authority

EDF is reviewing the decision from the French Nuclear Safety Authority (ASN) notified in a letter dated 19 June 2019, related to the deviations affecting welds on the main steam transfer pipes covered by the break preclusion principle at the Flamanville EPR.

EDF is currently analysing the impact of this decision on the Flamanville EPR schedule and cost, and, in the upcoming weeks, it will give a detailed update on the next steps in the project.
