EDF and AREVA reach a settlement agreement

On June 29, 2021, EDF and AREVA reached a settlement agreement¹ providing for the payment by AREVA to EDF of €563 million by December 31, 2021.

This settlement and the enforcement of two arbitration awards rendered on June 29, 2021 and today, resolve all disputes between EDF and Areva relating to the Framatome acquisition contract entered into in 2017 and to their business relations prior to the acquisition.

About EDF

As a major player in energy transition, the EDF Group is an integrated energy company active in all businesses: generation, transmission, distribution, energy trading, energy sales and energy services. EDF group is a world leader in low-carbon energy, having developed a diverse production mix based mainly on nuclear and renewable energy (including hydropower). It is also investing in new technologies to support energy transition. EDF's raison d'être is to build a net zero energy future with electricity and innovative solutions and services, to help save the planet and drive well-being and economic development. The Group is involved in supplying energy and services to approximately 37.9 million customers ⁽¹⁾, of whom 28.7 million in France ⁽²⁾. It generated consolidated sales of €69.0 billion in 2020. EDF is listed on the Paris Stock Exchange.

(1) Since 2018, customers are counted per delivery site. A customer can have two delivery points: one for electricity and another one for gas.

(2) Including ES (Électricité de Strasbourg).

About AREVA
