

The EDF Group expands in the energy renovation market throughout the acquisition of “Les ECO-Isolateurs” group

On 30 November 2022, the EDF Group acquired “Les ECO-Isolateurs” group, a specialist in domestic insulation and energy renovation. This acquisition will enable EDF Group to strengthen its position in the energy renovation market.

This transaction will add external thermal insulation to the range of services offered by IZI by EDF. It will also now be possible for IZI by EDF to offer multi-faceted complete energy renovation, combining heating, hot water, ventilation, and insulation of all types.

With its 130 employees and a 2021 turnover of 49 million euros, the “Les ECO-Isolateurs” group is a serious player in the field. Thanks to its customer-friendly business model and rigorously high standards, it will add to the success of IZI by EDF in the French energy renovation market.

Lionel ZECRI, EDF Director for Private Customers, states: “EDF supports its customers in the energy transition by helping them to reduce and upgrade their consumption. Energy renovation is a major driver of reduced energy use, and the acquisition of the “Les ECO-Isolateurs” group reinforces the EDF Group’s position in the market”.

About EDF

As a major player in energy transition, the EDF Group is an integrated energy company active in all businesses: generation, transmission, distribution, energy trading, energy sales and energy services. EDF group is a world leader in low-carbon energy, having developed a diverse production mix based mainly on nuclear and renewable energy (including hydropower). It is also investing in new technologies to support energy transition. EDF’s raison d’être is to build a net zero energy future with electricity and innovative solutions and services, to help save the planet and drive well-being and economic development. The Group is involved in supplying energy and services to approximately 38.5 million customers (1), of whom 29.3 million in France (2). It generated consolidated sales of €84.5 billion in 2021. EDF is listed on the Paris Stock Exchange.

(1) Since 2018, customers are counted per delivery site. A customer can have two delivery points: one for electricity and another one for gas.

(2) Including ÉS (Électricité de Strasbourg) and SEI.
